The subject matter

In June 2023, Siddington Parish Council submitted a proposal to designate a Neighbourhood Area. The area proposed includes the full extent of Siddington Parish. You can view the details of the area by visiting:

Under 5a of the Neighbourhood Planning (General) and Development Management Procedure (Amendment) Regulations 2016 this area qualifies to be designated without consultation or formal decision by the Local Planning Authority.

Designation of a Neighbourhood Area is the first formal stage in developing a Neighbourhood Plan. The neighbourhood plan is a way for the parish council to help shape how their community develops over the coming years.
